

**High temperature Confocal Scanning Laser Microscopy Facility
Department of Metallurgical Engineering Materials Science
IIT Bombay, Mumbai-400076**

Requisition Form (External User / Outside IIT Bombay)

Status: Completed/ Delayed/ Cancelled _____ Date of Submission: _____

Sample Name:

Roll Number of the Student:

Name:

Name of the Supervisor:

Name of Institute and Department:

Email ID:

Mobile No.:

***I certify that the sample(s) provided is (are) not hazardous and deleterious to humans or equipment and do not violate any ethical code. Equipment particulars/modes**

Equipment	Total Charges (INR) per sample	No. of samples	Total Cost
High temperature Confocal Laser Scanning Microscopy (CSLM)	<input type="checkbox"/> Academic user Rs. 3000/- <input type="checkbox"/> National Lab. Rs. 6000/- <input type="checkbox"/> Industrial User. Rs.8000/-		

To IRCC, Please Transfer INR (Rs.) _____ From- _____

To **RI/0824-FMCHTCLS-001**

Student's Name and Signature

Supervisor's Name and Signature

Prof. Deepoo Kumar (Facility In-charge)

- After submitting this form through email upon acceptance, invoice will be sent to the user.
- The above-mentioned rates (for other academic institute users) are on per sample basis.
- **Facility is available for microscopic examination only, and the sample preparation is not under scope of this facility usage. It is solely the user's responsibility to come up with a well-prepared sample(s).**
- The sample dimensions are (1) 6mm diameter and 3.5 mm height (2) 5 mm diameter and 3.5 mm height (Circular samples) (3) 5 x 4 x 3 mm (Rectangular sample)
- Data will be shared after completing all the payments.
