

Indian Institute of Technology Bombay
Powai, Mumbai, Maharashtra 400076
FSNMR Central Facility (Form for Internal Users)

1. User Information

Name: Designation:

Organization/ Department & Institution:

Supervisor's Name:

User's Email: Contact No:

2. Sample Information

Chemical formula:

Type of the sample (Powder/pellet/crystal and metallic/insulating):

Number of the samples and mass of each (in gram) :

Sample dimension and shape (for single crystal):

Nuclei to probe:

Temperature(s):

Measuring field(s):

Experiment to be done: Spectra T₁ T₂ (Tick the box)

Special Instruction (if any):

.....
Signature of user with date

.....
Signature of supervisor with date
(For students and Postdoc.)
